PROFESSIONAL SUMMARY

Dynamic **Programming Instructor** and **Electrical Engineering** student with a proven track record of simplifying complex technical concepts for young learners. Experienced in **Flutter development** and **embedded systems (Arduino)**, with a passion for driving innovation in EdTech and digital education. Combined background in technical project delivery and educational mentorship.

TECHNICAL SKILLS

- **Programming Languages:** Dart, C++, HTML, CSS, Python.
- **Software Methodologies:** Object-Oriented Programming (OOP)
- **Frameworks & Hardware:** Flutter, Arduino.
- **Core Competencies:** Circuit Design, CS Fundamentals, Embedded Systems Projects.
- **Soft Skills:** Teaching & Mentoring, Leadership, Cross-functional Teamwork, Clear Communication.

PROFESSIONAL EXPERIENCE

Programming Instructor | iSchool | 2024 – Aug 2025

- Deliver engaging programming curriculum to children, focusing on logical thinking and technical literacy.
- Simplify advanced concepts in software development for diverse age groups.

Math & Science Instructor | Independent/Contract | *2022 – 2023*

- Provided foundational education in STEM subjects, fostering analytical skills in students.

TECHNICAL PROJECTS

Mobile Development (Flutter)

- **Store App:** Developed a functional e-commerce interface using Dart and Flutter.
- **XO Game:** Built an interactive logic-based game application.

Embedded Systems (Arduino)

- **Maze Car:** Engineered an autonomous vehicle designed to navigate complex paths.
- **Smart Garage:** Developed an automated entry and parking management system.

- **Elevator System:** Simulated a multi-floor vertical transport system using Arduino microcontrollers.

EDUCATION & TRAINING

Faculty of Engineering (Electrical Department)

Helwan University, Cairo, Egypt

Technical Training:

- **Programming & CS Fundamentals:** MEC Academy.
- **Arduino Specialized Training:** Beta Academy.

LEADERSHIP & VOLUNTEERING

- **Volunteer:** IEEE Communications Society (ComSoc) Branch.
- **Member:** Google Developer Student Clubs (GDSC) – Helwan University.
